

Municipal Park Usage Approval

On occasion the Borough grants permission for use of the various public parks for private events. Although, we cannot grant exclusive rights for use which would restrict members of the public from the park. However, we will not schedule another event at the same time. Typically tables and chairs and anything leaving marks in the ground are not permitted in most parks. Anything used to further decorate the garden for your ceremony or event must be removed immediately thereafter. Alcoholic beverages are not permitted to be carried or consumed in the public park, street, sidewalk or right of way per State law.

Please send all requests for public park use to:

Administration Office
Borough of Haddonfield
242 Kings Highway East
Haddonfield, New Jersey 08033

Or via email to the Administration Office at klafferty@haddonfield-nj.gov
