A system is available that allows you to report absenteeism, Dr. appointment, late arrivals, carpool changes, playdates, early dismissals, etc., from your home computer/smart phone; this system also has an automated dismissal application in conjunction with a sensor on your car, similar to "EZ Pass," which would "schedule" your child to come out of the building to your cart to be picked up, based on your arrival time in the pick-up line. Would you be willing to pay a nominal fee (\$12-\$25 per household) for such a system at Tatem?

Would you be interested in volunteering with the walking school bus (a once a week commitment or less depending on # of families and volunteers)?

Would you allow your children to walk to and from school, without you, as part of a "walking school bus" where parent volunteers supervise walkers along a designated route with designated stops?
