

## **2013 Utility Improvement Project Project Update No. 13**

August 30, 2013

### **Work Completed August 26<sup>th</sup> thru August 30<sup>th</sup> – Euclid Avenue:**

Water main work continued along Euclid Avenue. New water main has been installed from West End Avenue to Linden Avenue. The trench areas have been restored with temporary paving until permanent road reconstruction begins.

New water main is being installed along Euclid Avenue.

### **Anticipated Work for the Week of September 2<sup>nd</sup>:**

Water main installation and water service installation will continue between West End Avenue and Westmont Avenue. TRAFFIC NOTE: Euclid Avenue will have traffic detoured at West End Avenue and Westmont Avenue during working hours. Local traffic and emergency vehicles will have access.

The water main on Euclid between Allen Avenue and Haddon Avenue has been tested and passed. Water services may now be installed. Contractor will be completing water services in this segment of Euclid on a Saturday due to water requirements of the adjacent businesses. Date to be scheduled in September with advance notice provided. TRAFFIC NOTE: Traffic will be detoured between Westmont & Haddon Ave. Local traffic and emergency vehicles will have access.
