

2013 Utility Improvement Project Project Update No. 17

September 27, 2013

Work Completed September 23rd thru September 27th – Euclid Avenue:

The installation of new water services and sanitary laterals continued. The trench areas were restored with temporary paving until permanent road reconstruction begins.

The trench areas are restored with base paving.

Anticipated Work for the Week of September 30th:

Sanitary lateral installations will continue from Estaugh to Westmont Avenues. TRAFFIC NOTE: Euclid Avenue will have traffic detoured at West End Avenue and Westmont Avenue during working hours. Local traffic and emergency vehicles will have access.

Base paving restorations between PATCO and Haddon Ave will be completed on Friday October 4th. TRAFFIC NOTE: Traffic will be detoured between Westmont & Haddon Ave. Local traffic and emergency vehicles will have access. Access will be restored at the end of the day.
