

*2013 Road Program (Washington, Wilkins & Allen Avenues)
Project Update No. 1
July 15, 2013*

Work Completed Since the Start of Construction:

Work began on the project on Washington Avenue with the reconstruction of various curb and driveway aprons, along with the installation of ADA curb ramps, between W. Park Avenue and W. Cottage Avenue. Areas of slate curb were reset.

Finishing Driveway Apron at 228/232 Washington Avenue

Resetting Brick Service Walk at 212 Washington Avenue

Anticipated Work for the Week of July 15:

Work will continue along Washington Avenue in the same block with the replacement of curb (slate resetting) and driveway aprons, along with service walk and ADA curb ramp work.

TRAFFIC & PARKING: Work within the project limits of Washington Avenue will be closed to all but local traffic during working hours with a detour via Warwick Road in place. The street will be open all nights.
