

***Improvements for Potter Street, Ellis Street/Haddonfield-Berlin Road and Kresson Road
Project Update No. 2
July 8, 2011***

Work Completed the Week of July 4:

The installation of stormwater pipes, inlets and manholes has been completed on Potter Street and for the portion of Ellis Street from Potter Street to the bridge, leaving only a run on Ellis Street near Lincoln Avenue remaining on the north side of Ellis. ADA curb ramp installation has been completed on Potter Street at the intersections of Fowler Avenue and Springfield Terrace. Pavement removal on Potter Street was completed and the lowering of MacDonald Park commenced.

Excavation/Lowering of MacDonald Park

Completed ADA Curb Ramp at Springfield Terrace & Potter Street

Anticipated Work for the Week of July 11:

Curb construction will resume on Ellis Street and a retaining wall along Potter Street adjacent to the Haddonfield Little League Field #1 will begin. In addition, the installation of the new water main on Ellis Street will start.

Curb construction on Ellis Street
