

***2014 Road Program - Reconstruction of Mt. Vernon Avenue & Pomona Avenue
Project Update No. 1
September 5, 2014***

Work Completed Since the Start of Construction:

To date, removal and replacement of curb and driveway aprons has been completed along the west side of Mt. Vernon Avenue and more than half of the east side, including the installation of ADA-compliant curb ramps at the intersections of West End, Estaugh and Linden Avenues.

***Pouring of Concrete Curb Along East Side of
Mt. Vernon Avenue***

Finishing New Curb at Linden Avenue

Anticipated Work for the Week of September 8:

Work will continue along the east side of Mt. Vernon Avenue with curb and driveway apron replacement.
