

Firearms Applications and Permits

The Haddonfield Police Detective Bureau will assist residents interested in applying for firearms identification cards and firearms permits to purchase. Residents must be at least 18 years of age and successfully pass all background investigation and legal requirements.

Firearms Permits and Identification Cards

Application paperwork can be found on the New Jersey State Police website at <http://www.njsp.org/firearms/forms.shtml>

Applicants must return two (2) copies of a completed Consent for Mental Health Check form (SP66) and two (2) copies of a completed Application for Firearms Purchase ID Card/Permit to Purchase a Handgun (STS033).

Applicants must contact the Haddonfield Police Department at (856) 429-4700 extension 250 to make an appointment with a Detective to submit your application. A member of the Detective Bureau will advise you of all fees and instruct you in how to obtain your fingerprint record check at that time. Please advise the Detective if you already possess a Firearms Identification Card, or if you are seeking additional information regarding firearms regulations.
