Application for New Single-Family Home, or Addition to an Existing Single-Family Home Checklist:

A Complete Application for a Permit to Construct a New Single-Family Home, or an Addition to an Existing Single-Family Home **SHALL** include the following items:

- 1) A completed Application for Zoning Permit Form.
 - 2) An accurate, scaled Survey of the Subject-Property depicting the proposed location of the new single-family home, or addition to an existing single-family home. An accurate Survey of the Subject-Property **SHALL** include:
 - a) the date of the survey; and,
 - b) the name & seal of the surveyor who prepared the survey.
 - 3) A statement indicating the height (in feet), width (in feet), and length (in feet) of the proposed new single-family home, or addition to an existing single-family home.
 - 4) Proposed Floor Plans for the new single-family home, or addition to an existing single-family home.
 - 5) Proposed Elevation Drawings for the new single-family home, or addition to an existing single-family home.
 - 6) A Proposed "Site Plan" for the Subject-Property depicting all proposed improvements to the Subject-Property in addition to the new single-family home, or addition to an existing single-family home, including, but not limited to, driveways, walkways, patios, porches, decks, sheds, pools, hot tubs, ponds, arbors, pergolas, fences, and privacy shields.
 - 7) A statement indicating the current building coverage of the Subject-Property and the proposed building coverage of the Subject-Property.
 - 8) A statement indicating the current impervious coverage of the Subject-Property and the proposed impervious coverage of the Subject-Property.
 - 9) A statement indicating the current number of bedrooms and the proposed number of bedrooms.
 - 10) A statement indicating the proposed use of the new single family-home, or addition to an existing single-family home.
- All COMPLETE Applications **SHALL** be approved or denied by the Zoning Officer within 10 (ten) days of submission thereof.
